

DOD QUARTERLY REPORT (Fourth quarter FY2005)
DIVISION: Division of Toxicology and Environmental Medicine
Scheduled start date: April 2005
Scheduled completion date: September 2005
ATSDR ToxProfiles <sup>TM</sup> 2005 CD-ROM – Including ToxFAQs and Public Health Statements
Toxicological profiles on CD-ROM make toxicological information more accessible and convenient for health care worker, toxicologists, occupational health physicians, public health personnel, communities, and ATSDR's health partners. Work continues on beta-testing and finalizing the ATSDR ToxProfiles 2005 <sup>TM</sup> CD ROM. The CD also includes the ToxFAQs and ToxFAQs en Español and the Public Health Statements.
